I .SYNCOTTS INTERNATIONAL

BRINGING SPORTS SURFACING TECHNOLOGY TO INDIA

Name of work: Construction of Sports Infrastructure in campus of Munshi Singh College at Motihari Dist. -East Champaran.

Subject: Pre-bid query and suggestions.

Point no. 1 Change in Clause

S.No.	Reference Clause	Existing Condition	REPLY
1.	RFP Page no. 9 – Similar Work Means	Similar Nature means: – Construction of Sports related infrastructure (Synthetic Athletic Full PUR Eight lane track of 400m/Indoor Stadium/ Football Stadium) including Civil Work within the last five years. Proposed Amendment Similar Nature means: – Construction of Sports related infrastructure (Synthetic Athletic CLASS-I/Class-II Certified (By World Athletics, Earlier IAAF) Full PUR Eight lane track of 400m only) including Civil Work within the last five years.	Similar nature of work will be as per SBD & special condition of contract.

Point no. 2 Change in Clause

S.No.	Reference Clause	Existing Condition	REPLY
2.	RFP Page no. 92- Special Condition of Contract Point- no. A-(I)	I) The bidder/Manufacture as a primary contractor should have supplied and installed One Class-I /Class-II Certified (By World Athletics, Earlier IAAF) Synthetic Athletic Full PUR Eight lane track of 400m in India during the last 5 years in their individual capacity and not as a Joint Venture. It is mandatory to submit the track completion certificates and World Athletics certificates of class I/Class II. Proposed Amendment We request the clause be amended to read: I) The bidder/Manufacture as a primary contractor should have supplied and installed Five Class-I /Class-II Certified (By World Athletics, Earlier IAAF) Synthetic Athletic Full PUR Eight lane track of 400m in India during the last 5 years in their individual capacity and not as a Joint Venture with Same Manufacturer. It is mandatory to submit the track completion certificates and World Athletics certificates of class I/Class II.	DENIED. IT WILL BE AS PER SBD & SPECIAL CONDITION OF CONTRACT.

Point no. 3 Addition in Clause

S. No.	Criteria details	Requirements	REPLY
3.	New Clause Addition: Pre-Qualification Criteria (Experience)	We request the addition of the following condition: "Additionally, the bidder must have successfully completed at least one (01) Synthetic Athletic Track project with Class 1 " certification (Executed for Central / State Govt. Departments / PSUs) that has completed atleast five (05) years of life (after the issuance of completion	DENIED. IT WILL BE AS PER SBD & SPECIAL CONDITION OF CONTRACT. REFER TO SBD, NIT & SPECIAL CONDITION OF CONTRACT.

S. No.	Criteria details	Requirements	REPLY
		certificate), and the performance of the track has been satisfactory during this period. The bidder shall submit work order along with Certificate of Completion from the client with class 1 certification from WA and Performance of the track issued by the Client, duly signed by an officer not below the rank of Executive Engineer or equivalent rank. The certificate must clearly mention: 1. Name and location of the project 2. Scope of work 3. Date of completion 4. Confirmation that the track has completed atleast 05 years of service and the performance of the track was found to be satisfactory." <u>JUSTIFICATION</u> 1. Proven Track Record: This clause will clearly establish the genuine experience and execution expertise of the track specialist. 2. Product & Installation Longevity: By mandating a 5-year performance history, the department effectively establishes both the durability of the proposed product and the reliability of the agency's past installation practices. 3. National Best Practices: The Sports Authority of India (SAI) deems this specific clause as most important and has kept this requirement in all its track tenders across India. For reference, this exact condition was formally integrated by the Engineering Division of SAI via Corrigendum-5 (Dated 11-12-2025) for their Class 1 WA standard track projects	

SPORTINA EXIM PVT. LTD.

Tender: Construction of Sports Infrastructure in campus of Munshi Singh College at Motihari
Dist- East Champaran.

Tender Ref: 12/BSBCCL/2026-27 GR02

System Tender No-135801

Subject: Queries Regarding Tender Qualification for the Above-Mentioned Tender.

Sr no.	Existing Tender Criteria	REPLY
1.	Special conditions, page no-92, Section-5, A), I): - The bidder/Manufacture as a primary contractor should have supplied and installed One Class-I /Class-II Certified (By World Athletics, Earlier IAAF) Synthetic Athletic Full PUR Eight lane track of 400m in India during the last 5 years in their individual capacity and not as a Joint Venture. It is mandatory to submit the track completion certificates and World Athletics certificates of class I/Class II. Suggestion Full PUR & Sandwich track are both WA approved system for any kind of National / International competition all over the world. Also, the manufacturers are the same worldwide. Hence we request to modify the condition as "The bidder/Manufacture as a primary contractor should have supplied and installed One Class-I /Class-II Certified (By World Athletics) Synthetic Athletic Full PUR / Sandwich system Eight lane track of 400m in India / worldwide during the last 5 years in their individual capacity and not as a Joint Venture".	DENIED. IT WILL BE AS PER SBD & SPECIAL CONDITION OF CONTRACT. REFER TO SBD, NIT & SPECIAL CONDITION OF CONTRACT
2.	Qualification of bidder, 4.3, g), page no- 9, 10 & 11 Similar Nature means: – Construction of Sports related infrastructure (Synthetic Athletic Full PUR Eight lane track of 400m/Indoor Stadium/ Football Stadium) including Civil Work within the last five years. Suggestion Full PUR & Sandwich system are both recognised by World Athletics and both are eligible for any kind of International events. In-fact worldwide maximum tracks are Sandwich system hence we request to modify the similar nature as "Construction of Sports related infrastructure (Synthetic	DENIED. IT WILL BE AS PER SBD & SPECIAL CONDITION OF CONTRACT. REFER TO SBD, NIT & SPECIAL CONDITION OF CONTRACT

Sr no.	Existing Tender Criteria	REPLY
	Athletic Full PUR or Sandwich System Eight lane track of 400m / Indoor Stadium / Football Stadium) including Civil Work within the last five years".	
3.	<u>Qualification of bidder, 4.3, g), page no-10, Credit Facility</u> Evidence of access to line(s) of credit and availability of other financial resources facilities (10% of contract value), certified by the Bankers (Not more than 3 months old) Suggestion Generally Bank Solvency certificate is demanded by all tenders published PAN India We request that a Bank Solvency Certificate may also be accepted as an alternative financial document	DENIED . IT WILL BE AS PER SBD.
4.	<u>Qualification of bidder, 4.3, g), page no-10,</u> Bids from Joint ventures are acceptable. Suggestion Considering the specialized nature of the project and long-term performance and warranty obligations, we respectfully request that execution through a single responsible entity may be preferred to ensure clear contractual accountability. We request that Joint Ventures should not be permitted.	JOINT VENTURE IS NOT ALLOWED AS PER SPECIAL CONDITION OF CONTRACT.
5.	Annexure-I, page no-24 List of Key Plant & Equipment to be deployed on BUILDING Work Suggestion Being a specialised job of Sports infrastructure, the required key plant & equipment for completion of work is commonly arranged through hiring/lease based on project needs. We request that bidders be permitted to submit an undertaking confirming • Timely deployment of the required Key Plant & Equipment; and • Arrangement of additional equipment as directed by the Engineer-in-Charge. This will ensure adequate execution capability while promoting competitive participation	IT WILL BE AS PER SBD &NIT. DETAILS MUST BE SUBMITTED IN TENDER DOCUMENTS.

Sr no.	Existing Tender Criteria	REPLY
6.	Annexure-II, page no-25 List of Key Personnel Suggestion We request that bidders be allowed to submit an undertaking confirming deployment of the required technical personnel at the bidding stage, with detailed particulars to be furnished after award of work and before commencement of execution as deployment of engineer can be only decided after award of work.	DENIED. IT WILL BE AS PER SBD & NIT. DETAILS MUST BE SUBMITTED IN TENDER DOCUMENTS.

Sr no.	Existing Tender Criteria	
7.	General Rules & Directions, page no-47, point no-13, ii The contractor whose tender is accepted, will also be required to furnish by way of Security Deposit for the fulfilment of his contract, an amount equal to 8 % of the tendered value of the work. Suggestion We respectfully request that the Security Deposit be revised to 3%, in line with prevailing practices for similar government works. As the tender already requires a 2% Performance Guarantee, the existing 8% Security Deposit results in a higher overall security requirement, thereby increasing the project cost to the Employer. Revising the Security Deposit would encourage wider competition while ensuring adequate security for the successful execution of the project.	DENIED. IT WILL BE AS PER SBD.

III. SPORTS CONCEPTS & SYSTEMS

Manufacturer of Sports Systems & Equipments

Sub: Pre-Bid Queries

Respected Sir,

We would like you to clarify some of the below mentioned points for the above mentioned tender:

1. An Athletic Track when constructed by a specialized firm is normally in the range of **Rs. 5 Cr to Rs. 9 Cr** depending on the system opted by the client.

Please note, your tender estimated value is **Rs. 25 Cr** which includes construction of Building works too, and the tender allows **JV bid submission**, thus we request you to kindly consider **50% Similar work experience** of company specializing in Construction of Athletic Track and the company with experience of Construction of Building Works as per Joint Venture sharing proportion ratio. (**Tender Document Point Reference No. 4.5 A {b}**)

As per CVC Guidelines the following needs to be considered by while bidding in JV for 2 companies:

According to Central Vigilance Commission (CVC) principles for public procurement, Joint Venture (JV) criteria are evaluated **jointly for technical capabilities and experience, but individually for certain financial resources i.e. the Bank Credit limits could be individually met for execution of works of this magnitude**. The exact parameters are defined in the specific tender document, following these standard CVC-aligned.

Technical Capability and Past Experience

- **Added Together:** The technical experience, past project experience, and equipment strength of all individual JV partners are typically **aggregated** to meet the total criteria.
- **Lead Member:** The **Lead Member** usually must hold the largest share in the JV (often a minimum of 51%), while other partners will have minimum shareholding requirements (e.g., 20% each).

2. Financial Capacity

- **Aggregated Turnover:** The overall financial turnover or bidding capacity is usually the **sum** of all members' capacities.
- **Individual Working Capital:** Unlike experience, the required Working Capital is frequently evaluated based on individual members. The Lead Member often needs to solely meet a significant portion of this requirement.

3. Joint & Several Liability

- Every individual company in the JV is held **jointly and severally liable** for the successful execution of the entire project

We thus request you to kindly consider the experience of 30% for the Construction works of Athletic Track and 20% of the Building Construction JV Partner to execute a project a this magnitude wherein 2 difference cope of works have been combined to execute the work under single contract.

8

A company in experience of Specialized works does not have the expertise nor experience of construction of Building works thus it is best to have the works executed under JV wherein the building works can be executed by a company who has experience and expertise in executing such critical works.

2. The minimum Civil work executed quantity also be clubbed for both the parties of the Joint Venture to meet the tender requirements for below mentioned chart.

Description of work	Quantity/Amount(Rs)	Unit
Earth work in excavation	3,175.46	cum
PCC/RCC	726.78	cum
Brick work	263.49	cum
GSB	807.92	cum
WMM	807.59	cum
BM+BC	407.83	cum
Flooring	123.25	Sqm
Synthetic Athletics Track	3853.49	sqm
PHE	5.28	Rs (in lakh)
Electrical	154.08	Rs (in lakh)

3. We request you to also kindly clarify which license do you refer to as per the tender conditions?

The contractor or his identified sub-contractor should possess required valid license for executing the water supply/sanitary engineering works and should have executed similar water supply/sanitary engineering works for a minimum amount as indicated in Appendix in any one year.

We request you to kindly consider our request as this will enable competitive bidding for the tender, if the conditions are unchanged, there only 3 or 4 companies who would be able to

participate in the tender which will entirely defeat the tendering purpose which is to get competitive bidding.

Thus in the benefit of the public funds and government we request you to kindly consider the above points mentioned in the letter.

We look forward to the points being considered by the department.

REPLY:-

1. JOINT VENTURE IS NOT ALLOWED AS PER SPECIAL CONDITION OF CONTRACT AND SBD.

2. DENIED. IT WILL BE AS PER SBD.

3. IT WILL BE AS PER SBD CLAUSE 4.5 A(e) which says "The contractor or his identified sub-contractor should possess required valid license for executing the water supply/sanitary engineering works and should have executed similar water supply/sanitary engineering works for a minimum amount as indicated in Appendix in any one year. "

The contractor must have valid license (PHED Dept.) as well as experience in execution of similar water supply/ sanitary engineering works. Also in other case of subcontractor , The sub-contractor must have valid license (PHED Dept.) as well as experience in execution of similar water supply/sanitary engineering works. Affidavit must be attached in case of sub contractor.

Subject: Pre Bid Queries

Reference Point Tender Notice No. 12/2026-27 Gr. 02

Respected Sirs,

Kindly consider the below following points to enable bidders to participate in a healthy competition, as the criteria mentioned in the tender will only qualify 3 to 4 companies to bid in the tender wherein the chances of healthy competition could be compromised. We would like you to clarify some of the below mentioned points for the above mentioned tender:

1. An Athletic Track when constructed by a specialized firm is normally in the range of Rs. 5 Cr to Rs. 9 Cr depending on the system opted by the client.

Please note, the estimated value of the tender is Rs. 25 Cr including the Construction of Building works and construction of WA Certified Synthetic Athletic Track, and the tender allows JV bid submission which is perfectly considered as this will ensure quality works by the Building Construction experience company. Thus we request you to kindly consider 50% Similar work experience of both companies combined together i.e. specializing in Construction of Athletic Track and the company with experience of Construction of Building Works as per Joint Venture sharing proportion ratio. (Tender Document Point Reference No. 4.5 A {b}) to enable the JV company to bid jointly.

. As per CVC Guidelines the following needs to be considered by while bidding in JV for 2 companies:

According to Central Vigilance Commission (CVC) principles for public procurement, Joint Venture (JV) criteria are evaluated **jointly for technical capabilities and experience, but individually for certain financial resources i.e. the Bank Credit limits could be individually met for execution of works of this magnitude.** The exact parameters are defined in the specific tender document, following these standard CVC-aligned:

Technical Capability and Past Experience

- **Added Together:** The technical experience, past project experience, and equipment strength of all individual JV partners are typically **aggregated** to meet the total criteria.
- **Lead Member:** The **Lead Member** usually must hold the largest share in the JV (often a minimum of 51%), while other partners will have minimum shareholding requirements (e.g., 20% each).

2. Financial Capacity

- **Aggregated Turnover:** The overall financial turnover or bidding capacity is usually the **sum** of all members' capacities.
- **Individual Working Capital:** Unlike experience, the required Working Capital is frequently evaluated based on individual members. The Lead Member often needs to solely meet a significant portion of this requirement.

3. Joint & Several Liability

- Every individual company in the JV is held **jointly and severally liable** for the successful execution of the entire project.

We thus request you to kindly consider the experience of 30% for the Construction works of Athletic Track and 20% of the Building Construction JV Partner to execute a project a this magnitude wherein 2 difference cope of works have been combined to execute the work under single contract.

A company with experience of Specialized works of Construction of Synthetic Athletic Tracks does not have the expertise nor experience of Construction of Building works thus it is best to have the works executed under JV wherein the building works can be executed by a company who has experience and expertise in executing such critical works which require high experience and expertise.

2. The minimum Civil work completed quantity also be clubbed for both the parties of the Joint Venture as per profit sharing ratio to meet the tender requirements for below mentioned chart.

Description of work	Quantity/Amount(Rs)	Unit
Earth work in excavation	3,175.46	cum
PCC/RCC	726.78	cum
Brick work	263.49	cum

Description of work	Quantity/Amount(Rs)	Unit
GSB	807.92	cum
WMM	807.59	cum
BM+BC	407.83	cum
Flooring	123.25	sqm

3. We request you to also kindly clarify which license do you refer to as per the tender conditions?

The contractor or his identified sub-contractor should possess required valid license for executing the water supply/sanitary engineering works and should have executed similar water supply/sanitary engineering works for a minimum amount as indicated in Appendix in any one year.

We would appreciate if the concerned authorities considers and gives equal chance to other bidders to participate in the tender.

REPLY:-

V. Great Sports Tech Limited

Sub: Prebid queries

Ref: Tender Notice No. 12/2026-27 Gr-02, Tender Reference No. 12/BSBCCL/2026-27 GR 02 & ID: 135801

Name of Work: Construction of Sports Infrastructure in campus of Munshi Singh College at Motihari Dist- East Champaran.

Great SportsTech Ltd. is South Asia's leader in providing turnkey solutions for sports infrastructure, since 2004. Along with providing the best products globally, we also ensure a perfect installation with our team of highly skilled technicians and engineers, using the best equipment. We have executed 55+ World Athletics Standard Synthetic Athletic Tracks in India, 50+ FIFA Standard Football Fields and 45+ FIH Standard Hockey Fields among various other sports infra.

We are keen to participate in the above-mentioned tender. Upon review of the Tender Conditions, we would like to submit the following queries and requests for your kind consideration

Sl. No.	Tender Reference	REPLY
1.	Page No. 9, Qualification of Bidder. Sl. No. 4.3 Similar work is defined as: Construction of Sports related infrastructure (Synthetic Athletic Full PUR Eight lane track of 400m/Indoor Stadium/ Football Stadium) including Civil Work within the last five years Request for Amendment The scope of work mentioned in the tender is predominantly with respect to construction of track and natural grass football field. The similar work definition suggests a bidder who is having experience in athletic track OR indoor stadium OR football field also qualifies. As these sports infra are different in construction methodologies, it does not bring out the required expertise of a bidder. Moreover, the experience required should be for a World Athletics Certified 400M Full PUR Eight Lane track which is different from any other synthetic athletic	ACCEPTED

Sl. No.	Tender Reference	REPLY																																	
	track We would request you to please amend the similar work definition to: Construction of Sports Related Infrastructure comprising of a World Athletics Certified Synthetic Athletic Full PUR Eight-Lane 400m Track along with football field and associated Civil/Building Works.																																		
2	Page No. 10, 11 Executed in any one financial year, the minimum quantities of the following items of work as indicated in Appendix. <table border="1"> <thead> <tr> <th>Description of work</th><th>Quantity/Amount(Rs)</th><th>Unit</th></tr> </thead> <tbody> <tr> <td>Earth work in excavation</td><td>3 175.45</td><td>cum</td></tr> <tr> <td>PCC/RCC</td><td>726.78</td><td>cum</td></tr> <tr> <td>Brick work</td><td>263.49</td><td>cum</td></tr> <tr> <td>GSB</td><td>497.92</td><td>cum</td></tr> <tr> <td>WMM</td><td>897.59</td><td>cum</td></tr> <tr> <td>BM+PC</td><td>407.83</td><td>cum</td></tr> <tr> <td>Flooring</td><td>123.25</td><td>sqm</td></tr> <tr> <td>Synthetic Athletics Track</td><td>3853.49</td><td>sqm</td></tr> <tr> <td>PHE</td><td>5.28</td><td>Rs (in lakh)</td></tr> <tr> <td>Electrical</td><td>154.08</td><td>Rs (in lakh)</td></tr> </tbody> </table> Request for Amendment We would like to bring to your kind notice that, as per the tender conditions, the Electrical Works are permitted to be executed through a licensed Electrical Contractor. As sports infra work predominantly comprises of civil work, requiring the bidder to have executed Electrical Works amounting to Rs. 154.08 Lakhs in any one financial year is does not match/justify the capability or domain knowledge of the specialised work, i.e. construction of the athletic track Hence, we request you to kindly consider any one of the following:	Description of work	Quantity/Amount(Rs)	Unit	Earth work in excavation	3 175.45	cum	PCC/RCC	726.78	cum	Brick work	263.49	cum	GSB	497.92	cum	WMM	897.59	cum	BM+PC	407.83	cum	Flooring	123.25	sqm	Synthetic Athletics Track	3853.49	sqm	PHE	5.28	Rs (in lakh)	Electrical	154.08	Rs (in lakh)	AS PER SBD CLAUSE 4.5A(d) "The contractor or his identified sub contractor should possess required valid electrical license for executing the building electrification works for a minimum amount as indicated in Appendix in any one year." Thus, request is denied. It will be followed as per SBD guidelines.
Description of work	Quantity/Amount(Rs)	Unit																																	
Earth work in excavation	3 175.45	cum																																	
PCC/RCC	726.78	cum																																	
Brick work	263.49	cum																																	
GSB	497.92	cum																																	
WMM	897.59	cum																																	
BM+PC	407.83	cum																																	
Flooring	123.25	sqm																																	
Synthetic Athletics Track	3853.49	sqm																																	
PHE	5.28	Rs (in lakh)																																	
Electrical	154.08	Rs (in lakh)																																	

Sl. No.	Tender Reference	REPLY
	The bidder may be permitted to satisfy this criterion through a licensed Electrical Contractor with whom the bidder can enter into an MoU, and such Electrical Contractor should have executed Electrical Works of Rs. 154.08 Lakhs in any one financial year. OR The electrical work requirement should be considered for upto any two financial years instead of one financial year. OR May kindly be considered for the total value without restricting to the number of years.	

3	Special Condition, A) Synthetic Athletic Track The construction of the synthetic athletic track is to be completed adhering to World Athletics standards. Installation of Full PUR system synthetic athletic tracks requires high specialization and therefore, bidders need to have sufficient experience in this particular field. The following tender criteria should be satisfied by the bidder: 1) The bidder/Manufacturer as a primary contractor should have supplied and installed One Class-I/Class-II Certified (By World Athletics, Earlier IAAF) Synthetic Athletic Full PUR Eight lane track of 400m in India during the last 5 years in their individual capacity and not as a Joint Venture. It is mandatory to submit the track completion certificates and World Athletics certificates of class I/Class II.	DENIED. IT WILL BE FOLLOWED AS PER SBD AND SPECIAL CONDITION OF CONTRACT.
---	--	--

should have been in good and continuous use for a period of not less than 7 (seven) years in India, duly confirmed by a person not below the rank of Executive Engineer.

Request for Addition of Condition

The sustenance and longevity of a track largely depend on how it is being used and maintained. This being a specialised work, the maintenance work is more than often entrusted by the client to the bidder who has constructed the athletic track. This ensures that the facility is ready to use any day.

We further request you to please also add the following condition:

The bidder should have demonstrated the experience of proper maintenance of synthetic athletic tracks in India in last 5 years. Necessary completion certificates to be enclosed as proof towards this

DENIED. IT WILL BE FOLLOWED AS PER SBD AND SPECIAL CONDITION OF CONTRACT.

Request for Addition of Condition

The tender requires a Full PUR Synthetic Athletic Track with a minimum thickness of 15 mm. However, the tender does not specify that the proposed product should be a World Athletics approved product for the same thickness.

We therefore request you to kindly include the following condition:

The proposed Full PUR Synthetic Athletic Track system shall be a World Athletics Approved Product for a minimum thickness of 15 mm, and the bidder shall submit documentary proof and should be listed in present World Athletics list.

THE FINAL MAKE AND MATERIAL PARAMETERS SHALL BE DECIDED BY THE CONSENT & APPROVAL OF COMPETENT AUTHORITY (BSBCCL) & ENGINEER IN CHARGE DURING THE EXECUTION OF PROJECT.

अंत में बैठक सधन्यवाद समाप्त हुई।
